ABOUT US...

Celebrate the diverse world of Welsh aquatics with us by becoming a sponsor of the Swim Wales Annual Awards 2023.

The annual event recognises the outstanding achievements of athletes, coaches, clubs, partners and others across the aquatic landscape in Wales. By adding your support to these awards, you will be aligning your brand to sporting excellence on a global level, inclusivity and community engagement, while promoting and exposing your business to a new and diverse audience.

Your support will help us as the National Governing Body move Welsh aquatics forward as we continue to deliver our YMLAEN Strategy.
