

# Inspiring Head Coach Wanted (UKCC Level 2 or 3) to lead Chirk Dragons Swimming Club

---

## The Opportunity

An opportunity to lead a friendly, inclusive and ambitious amateur swimming club that consistently outperforms its size. We develop children from Wave 6/Stage 7 (approx 8 years of age) and upwards in their competitive swimming, through to national competition level. We also have a competitive adult Masters/Tri section. Our swimmers compete at local, regional and national competitions, as well as Arena League events and as part of the Northern Celts squad. We currently have 2 junior members training with the Welsh squad. Training takes place evenings and weekends only – no early mornings, at Chirk and Moreton Hall pools primarily.

## The Perfect Candidates

We are looking for a strong coaching leader who is passionate about helping every member, regardless of ability, achieve their full potential and enjoy the experience. You will be a knowledgeable and powerful motivator, ready to lead a small team of dedicated coaches and teachers. You will be able to engage and inspire Members to train and compete to the best of their ability. You will be dedicated, reliable, flexible and self-motivated but also, able to work well as part of a team. You will be able to maintain the interest and commitment of Swimmers through their development and thrive on their achievements.

We will invest in your development in line with the needs of the Club and your own aspirations.

## Hours and Pay

Hours are negotiable, across our evenings and weekend sessions but will generally follow the same pattern each week. Accompanying the squad to weekend competitions will be required. Competitive rates of pay on a rising scale dependent on qualifications and experience, on a self-employed basis.

To apply for this exciting role, please drop us an email - tell us what you have to offer and how you feel you could meet the Club's needs!
