

PERFORMANCE TEAM DEVELOPMENT DIRECTOR

Full Time

Salary - Commensurate with skills and experience and car allowance

The normal place of work will be one of the Aquatics GB Offices

Aquatics GB operates an Agile Working Policy allowing some flexibility to work from the office/centre and from home

An excellent opportunity to join one of the most successful National Governing Bodies in the UK Sport High Performance System has arisen.

Aquatics GB is seeking a Performance Team Development Director, the organisation that oversees Aquatics sports in Great Britain - Swimming, Para Swimming, Diving, Artistic Swimming and Waterpolo.

We are at the start of the Olympic and Paralympic cycle, so this is an exciting time to join Aquatics GB as we look to build on the unprecedented success of the Paris 2024 Olympics and Paralympics.

The Performance Team Development Director will lead delivery in performance coach and support staff development, psychology, performance lifestyle and lead on the specific female performance development project to help shape the environments that will drive Aquatics GB forward in the LA 2028 cycle.

The postholder will be an integral part of the World Class Leadership Team and will be responsible for creating a world-leading performance team development programme to assist Aquatics GB meet its performance goals.

If you feel you have the skills and experience required and are passionate about being part of a high-performance team, we would love to hear from you.
